Notes	
Start Pass 1: P	→ P
Start Pass 2: P	→ P

The diagram illustrates a survey area with six points labeled P1 through P6, arranged in a hexagonal pattern. Each point is represented by a square box containing a letter. Dashed lines connect the points in a hexagonal grid, with additional lines forming a central hexagon. Depth measurements are provided for each point: P1 depth 26, P2 depth 23, P3 depth 23, P4 depth 22, P5 depth 22, and P6 depth 21. The measurements are in cm. A 'Ledge' is indicated at the bottom left with an arrow pointing right. The diagram also shows various other measurements and distances between points, such as 1010 cm between P1 and P2, 1010 cm between P2 and P3, 1010 cm between P3 and P4, 1010 cm between P4 and P5, 1010 cm between P5 and P6, and 1010 cm between P6 and P1. There are also measurements for the central hexagon: 1010 cm between P1 and P4, 1010 cm between P2 and P5, 1010 cm between P3 and P6, 1010 cm between P4 and P1, 1010 cm between P5 and P2, and 1010 cm between P6 and P3. The diagram includes a 'Ledge' label at the bottom left with an arrow pointing right.
