Start Pass 2: P	→P

  

The diagram shows a survey area with points A, B, C, D, E, and F. Dashed lines connect these points, forming a network. Depth measurements are provided for several points and along the lines:

- P5 depth 22 (near point C)
- P6 depth 22 (near point B)
- P4 depth 21 (near point D)
- P3 depth 21 (near point E)
- P1 depth 24 (near point A)
- P2 depth 22 (near point F)

Other measurements include:

- 46 cm (between B and C)
- 33 cm (between C and D)
- 49 cm (between D and E)
- 50 cm (between E and F)
- 45 cm (between A and B)
- 29 cm (between B and E)
- 30 cm (between E and F)
- 46 cm (between A and F)

A horizontal arrow at the bottom points to the right, labeled "Ledge".
